ALBERTA CATTLE AND HORSE BRANDS

RECORDED DURING THE PERIOD FROM
1ST OF JANUARY, 1907, TO
31ST OF DECEMBER,
1913.

Published by the authority of the Hon. Duncan
Marshall, Minister of Agriculture, as a supple-
ment to the Alberta and Saskatchewan Brand
Book.

EDMONTON:
Printed by J. W. Jeffery, Government Printer
1914

PREFACE.

This Brand Book is compiled from the Records in the Brand Recorder's Office, at Medicine Hat. While the greatest possible care has been taken to ensure accuracy, it is quite possible, where so many thousand brands are involved, that mistakes have occurred. Where such are found, the Recorder will be glad to have them pointed out for correction.

All transfers and changes recorded between the 1st of January, 1907, and 31st of December, 1913, are included in this issue.

Cattle brands are arranged separately from horse brands. The general scheme of arrangement followed is alphabetical and numerical. In every case the first letter or numeral of a brand determines the place of that brand in the book, thus, a brand of which the first letter is "A" will be found under that letter, while a brand of which the first numeral is the figure "4" will be found under that numeral. For instance, the brand A 4 would be found under the letter A and among the two-character brands, while the brand 4 A would be found under the numeral 4. Single-character brands precede two-character brands in arrangement and two-character brands precede three-character. Brands of arbitrary design, that cannot be otherwise classified, will be found at the back of the horse and cattle sections, respectively.

JAMES WILSON,

Recorder of Brands.
